WHITEFEATHER

EDITORIAL

The seniors of 1949 are proud to have the honor of presenting the twentieth edition of the "Whitefeather." The first "Whitefeather" was published in 1929 and we sincerely hope that the "Whitefeather" has become as much a part of the school as we think it has.

We hope this yearbook will promote an active interest in school functions and activities.

We wish to thank everyone who has cooperated with us to make this an interesting yearbook. We especially want to thank the merchants who have advertised in our yearbook because we realize that without their help, we could not have published the "Whitefeather."

DEDICATION

The Seniors of 1949 have appreciated the helpful advice Miss Culver has given us through our twelve years of school.

During her first year of teaching we entered as first graders.

To show our appreciation to her for her kindness, helpful co-operation, and example she set for us, we are dedicating this annual to her.

School Song

We're loyal to you, Buckland High
The red and the white is our cry,
We'll back you to stand
With the best in the land
For we know you are true
Buckland High. Rah! Rah!
Fight on is our cry to you, team,
Victory for us, it is nigh.
Our team is our fame protector
They'll bring us out a victor
We're for you Buckland High.
Fling out that dear old flag of Red and White
Bring out your sons and daughters fighting for right
Like men of old on giants
Placing reliance, shouting defiance
Os--key--wow--wow,
Amid the broad green plains that nourish our land,
For honest labor and for wisdom we stand
And unto thee we pledge our heart and hand,
We're loyal to you, Buckland High.

SENIOR CLASS PROPHECY

After managing a large dairy farm for ten years, I came under the influence of travel folders and the desire to see my old classmates. So I deserted the cows and headed for Columbus, Ohio. After walking for hours on the streets of Columbus, I saw a sign "If you want to travel in style, buy a "Doodlebug." I found Henry in his huge showroom admiring one of his newest "Doodlebugs" and he informed me that he was the secretary, treasurer, vice-president and president of his organization.

My car had broken down in Columbus so I had to hitch hike to Indianapolis. A very kind man in a 1929 Pontiac was obliging enough to take me there. I hurried out to the speedway and was just in time for the last race. With the help of field glasses I spotted Fredy Puschel in the winning car which was named the "Turtle." He obligingly gave me a fast ride around the track and then hurried me off to the airport for the Chicago plane.

While sightseeing Chicago, I decided to see the famous stockyards of the city. There I found Warren Shoup with his huge semi-truck. He offered to show me the town and that evening we went to Chicago's largest night-club to see Dick Gossett's Groovy-Band which featured Rex Place and his magic trombone.

As Warren was going to the west coast, I went with him. We arrived in Salem, Oregon and then purchased an evening paper. "The Daily Trumpet." While glancing at the front page news, I read in the corner that Rose Mary Elsass was the editor of it.

Leaving Warren in California with the movie stars, I took a bus to Austin, Texas. Just outside the city limits about ten miles, I found Glen Place on his huge ranch. It seems that the trip to Kansas City had given him ideas. He sat in a big arm chair with his dozen coonhounds and talked to me for a long time.

After a few days of coonhounds, I took a fast freight train to St. Louis. By the time the train pulled into the freight yards, I was very hungry, so I went to Wilda Lindamuth's small hamburger shop which seated two hundred people. As the result of too many hamburgers with pickles in the middle and mustard on top, I became ill so I visited a doctor. Helen Daniels, a regular stewardess on a local airline, was in his office.

After a dose of "tums" given to me by Helen, I left St. Louis and went by train to Wisconsin. There I found Richard Elsass running a meat packing factory and also a large farm. His wife was very busy in the house, getting Richard, Jr. to eat his cereal.

Richard took me to the city airport in his new streamlined 1959 Cadillac which took only a matter of minutes. After I landed I decided to go to the Martz Hotel, which was operated by the former Marlyn Sprague, who is now Mrs. Frank Martz and has a Frank Jr. and also a little Marlyn. I took advantage of knowing Marlyn and spent a week at the hotel expense free.

I decided to buy a new electric bow tie. I went to the Spees Department Store. While making up my mind on which tie to take, I talked to Beatrice.

I then bought myself a motor bike and headed for Yankee Stadium to see a baseball game between the Brooklyn Dodgers and the New York Yankees. I did not know which team to root for as Delbert Cook was the manager for the Dodgers and Jay Place was the pitcher for the Yankees. After the game, I walked through the pop bottles on the field and went to talk to Delbert and Jay. They mentioned that Donna Jean Lenhart was to be featured as the world's champion roller skater at Madison Square Garden. So I took the subway to the Garden to see my old friend.

I then turned my motor bike toward Washington D. C. There I found that Wauneta Wells and Bob Steveley had been influenced by our senior trip to Washington and they had gone back to that city to be Senators from the state of Ohio.

After traveling across the country, I decided to go home where some of my old classmates had settled. I saw Pat DeLong hurrying out to the fields to tell her husband and several children that supper was on the table. She turned out to be a real farmer's wife.

I also saw Don Hager and his wife sitting on their front porch at their farm. The kids were out in the field playing baseball with the neighbor's kids. P. S. They had triplets!

Donna Squires was the only one who settled in Lima. She was married exactly eight years ago today. I'll have to send her a "Happy Anniversary" card immediately.

This had completed my tour and I have seen all my classmates, therefore I shall go home and do the milking.

THE SENIOR CLASS

CLASS HISTORY

There is an old saying that history repeats itself. In our twelve years as students we have been taught this more than once.

Twelve years ago, thirty-one small youngsters started their first school year. Under the superb supervision of Miss Margery Culver, we were started on the right track.

Now that graduation is so near at hand, we realize that it is the stepping stone to success and to better ways of living. We wonder if we will succeed in the things we intend to do, but time alone will tell.

Our first eight years were filled with learnings which our instructors so willingly and wisely taught us.

Ninth: This year Miss Jones was our sponsor. Under her careful guidance, we had a successful year. Three new students arrived during this year They were Dick Gossett from Shawnee, Donna Jean Lenhart from Huntsville and Merlin Dingledine from Blume High School.

Our class was initiated by the seniors four weeks after the beginning of the year. We took part in the annual carnival. We all enjoyed the hayride given as our school party.

The class officers were: President, Dick Gossett; Vice President, Don Hager; Secretary and Treasurer, Helen Daniels; Reporter, Rose Mary Elsass.

Tenth: As a class of twenty-four we entered the tenth year of school with Mr. Ferd Gross as our sponsor. In February, Patricia DeLong entered our class. She originally came from Harrod High School.

Members of our class took active parts in the operetta under the leadership of Mrs. Crim.

Our class officers were: President, Jay Place; Secretary, Rex Place; Treasurer, Glen Place; Reporter, Beatrice Spees; Student Council, Marlyn Sprague and Don Hager.

Eleventh: We entered the eleventh grade with high anticipation of the year ahead of us. Miss Jones was our sponsor.

We sponsored a Leap Year Valentine Party with great success.

We received our class rings before Thanksgiving of which we are very proud. On November 12, 1948, after much hard work we presented our Junior Class Play , "The Adorable Imp."

We sold refreshments at Basketball games to raise funds so we could honor the seniors with a reception, which was held May 7, 1948 in the school auditorium.

On Saturday, October 18, 1947, the Juniors and Seniors took a trip to Southern Ohio. We saw beautiful and interesting scenery and Rock House, Old Man's Cave, and Ash Cave.

Our officers for the year were: President, Robert Steveley; Vice-President, Robert Bowersock; Secretary, Wauneta Wells; Treasurer, Rose Mary Elsass; Reporter, Henry Sager; Student Council, Fred Puschel and Helen Daniels; Bayliff, Rose Mary Elsass.

Twelfth: With Mr. Crim as our sponsor we started and ended our last year with success.

We sold refreshments at the basketball games to raise money for our senior trip.

During the first half of our school year, Merlin Dingledine joined the Navy. This left us with our graduating class of twenty-one.

On December 22, 1948, many members of our class took part in the Christmas Story which was presented in the auditorium under the guidance of Mr. Lester Smith. In the spring we took part in the Spring Festival, lead also by Mr. Smith.

On May 7, the Juniors honored us with a reception which we all enjoyed and appreciated.

Our Baccalaureate Services were held May 15, at the Buckland Congregational Christian Church, officiated by Reverend C. C. Ryan. On May 19, our Commencement exercise was held with Reverend Russell Hoy as guest speaker.

As an ending of our school year and the last time for our class to ever gather completely together, we shall go on our senior trip.

Band

This school year, under the capable leadership of Mr. Smith, our, band has been very active and successful.

We have played for several basketball games and also had a prominent part in the Community Institute program.

One of the outstanding events of the year was our Spring Concert, which was a great success because of the untiring efforts of Mr. Smith Many new numbers were introduced and several of our members were chosen to play solos.

The band members feel very proud of their new uniforms, which were purchased by the Band Mothers. We wish to express our thanks to the Band Mothers and all other organizations, who made it possible to get these new uniforms.

F.F.A. CLUB

The Buckland Chapter of Future Farmers of America was very active this year.

Early in the spring we conducted a scrap drive to buy official F.F.A. jackets for our organization. In our livestock showing, Gene Brookhart won prizes at the Auglaize County Fair as well as two firsts and two seconds at the Ohio State Junior Fair at Columbus, Ohio, with his Hampshire hogs. Glen Place won repeatedly at the Auglaize County Fair, as well as nine firsts, two grand championships at the Allen County Fair with his Guernsey cattle. Glen also won the F.F.A. Showmanship trophy at the Auglaize County Fair. Roger Tangeman placed well up in the money with his Shropshire Sheep.

We sent six boys to the F.F.A. camp at Camp Muskingen in Carroll County. The boys were Wilbur Hager, Don Hager, Donald Mack, Jack Springer, Jay Place and Delbert Cook. The camp is located on the Muskingen Dam Reservations.

On November 11 we sponsored our annual square dance and invited the community to attend. The parent and son banquet was held the evening of November 23. The program consisted of music by the Barnyard Quartet, composed of Rex Place, Bobby Bowersock, Glen Place, Dick Gossett. Jay Place served as toastmaster. The teachers and board members also were invited.

In November to January we held pest hunt during which Bobby Sunderland won first prize, Jay Place, second prize and Theodore Allen third prize. The two teams were under the leadership of Jack Werst and Vernon Sunderland. Vernon's team came out the winners.

Delbert Cook and Glen Place were elected as delegates to represent our chapter at the National Convention at Kansas City from November 14-18.

In February we had a joint meeting with the Wapakoneta Chapter. After the meeting, we played basketball and had refreshments. Much time was spent during February and March preparing for the Parliamentary Procedure Contest at St. Marys. Our team made a very good showing at this meeting. In addition to our regular meetings we conferred the degrees of Greenhand and Future Farmer to those elegible.

In March we had a movie entitled "Wild Fire." We had a very big crowd.

We sponsored a booth on safety at the school carnival and helped build the other booths. We had a display at the Farmers' Institute which also includes a display of the farm shop boys work during the year.

Our chapter was represented by Roger Tangeman at the Public Speaking contest at Shawnee High School.

O'Brien was hailed to court.
"Do you know Mr. Smith?" asked the judge.
"Why should I know Mr. Smith?" came the reply.
"And are you in no way related to him?"
"Why should he be a relative of mine?"
"And he never tried to borrow money from you?"
"Why should he ask me for money?"
The judge was irritated.
"Listen you—don't answer a question by asking one."
"Why not?" shot back O'Brien.
